

40th
LAUNCH OF PHILADELPHIA

SPONSORSHIP PACKET

OUR MISSION

To provide educational and occupational opportunities for students and adults, launching them towards success in school and in life.

OUR PROGRAMS

IT APPRENTICESHIPS PROGRAM

Launch of Philadelphia is opening doors to help people prepare for IT jobs in cutting edge fields. We're expanding our apprenticeship programs to include training pathways that can help people from every community build a successful career.

OUT OF SCHOOL TIME (OST) PROGRAM

Supports elementary students in North Philadelphia. Our centers provide a safe and nurturing environment for kids. The overall focus of the program is to reduce and prevent future involvement with social services, reduce delinquency, prevent violence and other anti-social behaviors that jeopardize the health and wellness of youth.

SOUTHWEST PHILLY PEACE PROJECT (SWPPP)

Our SWPPP program is more than just an afterschool program at our Education Center—it is a lifeline for middle school-aged youth in West and Southwest Philadelphia who have witnessed or been victims of trauma. This program is designed to help reduce incidents of violence and build resilience through a combination of pro-social education and health-focused activities.

TEEN PARENTING (ELECT) PROGRAM

Teen Parent Classrooms (TPC) provides a comprehensive network of education, health and support services designed to assist pregnant and/or parenting students (females and males) in the completion of their high school education or equivalency so they can make successful transitions into self-sufficiency and parenthood.

URBAN TECHNOLOGY PROJECT (UTP)

In partnership with the School District of Philadelphia, Launch of Philadelphia developed a program to address digital inclusion issues within Philadelphia. The Urban Technology Project provides youth with opportunities for meaningful access to information technology tools and education, promoting ownership of knowledge, problem solving, and self-reliance.

A MESSAGE FROM OUR PRESIDENT & CEO

Dear Friends and Supporters,

I'm honored to extend an invitation to join us on **Saturday, October 17, 2026**, as [Launch of Philadelphia \(Communities In Schools of Philadelphia\)](#) celebrates their 40th Anniversary —marking four decades of empowering Philadelphia's youth and adults through educational programs and workforce opportunities that prepare them for success in school and in life.

This milestone is a powerful testament to our proven social impact model and the thousands of lives we have helped to transform along with the partnerships that make it possible. Together, we are advancing inclusive growth, reducing violence, and helping individuals throughout our region thrive. Our theme, *“Launching Futures: Celebrating 40 Years of Community Impact,”* captures our shared commitment to building a more resilient and equitable Greater Philadelphia.

Set against the powerful backdrop of the [Museum of the American Revolution](#)—a tribute to bold beginnings and enduring change—our **40th Anniversary Celebration** will feature a panel of community leaders, inspiring stories from Launch of Philadelphia alumni, debut our boldest initiatives to date, and showcase our collective vision for the next decade.

By supporting this anniversary, your commitment represents more than a financial contribution—it is an investment in the future success of the Greater Philadelphia region, enabling the continuation of a verified, holistic support system that strengthens and stabilizes our communities.

Join us for this unforgettable evening as we celebrate our shared legacy and ignite the next decade of launching futures together. Thank you for being part of our journey.

Warmly,
